## Invitation to ACEPS-7

---

You are cordially invited to participate in the 7th Asian Conference on Electrochemical Power Sources (ACEPS-7), to be held in Osaka, Japan, from November 24 to 27, 2013.

The aim of ACEPS-7 is to provide a forum for presentation and discussion of recent developments related to electrochemical power sources, including batteries, fuel cells and capacitors. ACEPS-7 focuses on electrochemical energy conversion and storage system, and recent progresses on materials and reaction analysis for it, which should be necessary to develop novel energy systems such as portable electronic devices, electric vehicles, hybrid vehicles, the use of natural energy, and stationary fuel cells. The conference will consist of keynote & invited lectures, oral and poster presentations.

## Important Dates

---

Deadline for Abstraction Submission: 31 August, 2013.

Deadline for Hotel Reservation: 31 October, 2013.
